

UNICEF Greeting Cards TVC Jingle Lyrics (1989) | "There are children dying 40, 000 every day..."

Lyrics:

There are children dying forty thousand
everyday
but you're sitting on the path of the land
when the water pump carries for a thousand
miles...
it's the best kind of helping hand.
you can bring the world to the people.
you can help them, you can give it, you can
try.
you can fly the wings of mercy
don't you know these cards save lives.
you can bring a friendly UNICEF card today
you can save a life of a child
and the world will sing for the life you saved...
UNICEF... these cards save lives...
