Lyrics:

Chorus:

Everyday Everyday Everyday  
The Magic is Here!  
Everyday we celebrate the magic we feel!  
Everywhere you see the smiles of fantasy  
reel...  
At Enchanted Kingdom!

Everyday Everyday Everyday  
The Laughter and Cheers!  
Are enough to celebrate the wonderful  
years!  
Sing along and join in harmony (Everyday!)  
Enchanted Kingdom!

Verse:

Welcome all, to this place  
Find how happiness can embrace  
Everyone, as the fun, begins!

Day and night, sight still light  
Every move in every way  
Brightest sky, you and I  
Can have all the fun in this world!

(Chorus)

Bridge:

We'll all be playing  
And we'll be saying  
Thanks for the best times!  
Thank you! Thank you!

Verse:

Day and night, sight still light  
Every corner starry and bright!  
Ride up high! You and I!  
Can have all the fun in this world!
