LYRICS:

Holidays are coming...(repeating throughout)

'Tis the season

Watch out, look around

Something's coming, coming to town

(coming to your town)

Do do do do do, do do do do

Do do do do do, always Coca-Cola

Something magic

in the night

Can you see it shining bright?

Fa la la la la, la la la la la

Fa la la la la, la la la la la

Holiday refreshment's what we bring,

'Tis the season, it's always the real thing

Holidays are coming

Holidays are coming

Always Coca-Cola

Watch out, look around...

We're coming, coming around...
