## "You're My Number One"

Lyrics by: Sandy Sulit

Music by: Caloy Agawa

Performed by: Sharon Cuneta, with  
daughters Frankie and Miel Pangilinan

Look at me mom  
Shining like the sun  
Bright as the day  
You're my number one

And there's no treasure  
That i will cherish like you

And when i smile  
They all see you glow  
And they all know  
You're my number one

My one and only joy  
Is to give you my love

(bridge)  
My one love for you  
I give through and through  
I see you and the signs that bring joy  
That all the world can see so clearly

Look at me mom  
Shining like the sun  
Bright as the day  
You're my number one
